

## °efp european shooting stars

at the Berlin International Film Festival, February 8 – 12, 2019

---

### conditions for the nomination of actresses/actors:

- to have established a successful professional **career and already known in their own country**
- **to speak English very well**  
*Please make sure that the actors know they have to express themselves in English in front of international press, film industry etc.*
- to have **a main role in a film related to the nomination** which was **released** in the past **2 years** prior to the nomination (not before October 2016).  
*It is sufficient for a nominee to be involved in at least ONE feature-length film related to the nomination. Other works to her/his credit are also welcome and could include different formats (e.g. short films, TV etc.).*
- to have a potential to **work internationally**
- **not to be older than 35** (and should **not be younger than 16**).  
*We trust you to nominate the best of your country but please keep in mind that casting directors are rather looking for a younger acting talent.*
- to be **available** during the Berlin International Film Festival (February 8 – 12, 2019)
- please make sure that your nominee is **willing to cooperate for press work, social media campaign, promotional appearances, photo shooting with sponsors, etc.**  
*Feel free to let her/him sign the attached letter of commitment.*

it could be useful if

- the nominee is participating in **a new film (to be screened at the Berlinale 2019 or be released in 2019)** which will provide more promotional opportunities.
- **the film related to the nomination** has been reviewed or is currently talked about in the media and by the film industry
- **awards** have been received for either the nominee or her/his films or are expected
- you provide us a voluntary **motivation letter from the respective member** to the jury explaining why the nominee is the right pick for Shooting Stars.
