HOW DO YOU DEFINE ARROGANCE?!

National Film Production
Documentary Films – Finished

This documentary is composed of short stories exploring manifestations of arrogance. It depicts the almost irreconcilable attitudes and mentalities of EU bureaucrats and their 'beneficiaries', showing how power transforms into arrogance. What is it that the EU really wants us to change so that we can become the part of the 'European family'? This film aspires to answer this question through a very personal story—the personal story of all of us.

MY LAKE, although it is a cinematic narrative in itself, is quite simply an ordinary story, natural for its extraordinary reality, unnatural for Albanian society. For about three decades this same leitmotif has continued played out in one form or another. DO PIGS GO TO HEAVEN?

ТАЈА НОСЕШЕ ЦРЛЕНА ШАМИЈА

The almighty and all-knowing Jesus Christ, together with equally omniscient Auntie Anka and a curious pig called Beba, are the main protagonists of this rural musical comedy set in Zagorje during the war in Croatia in the 1990s. Against the backdrop of village life, including a wedding, a village fair and a pig slaughtering festival, the film focuses on the dramatic love story of Beba and Roki, a boar of half-Serbian origin, and the breakdown of the bonnet-dryer in the hair salon that puts a damper on Anka's preparations for the village fair.

Three stories – weird, painful and funny – intertwine to give an unconventional perspective on the transition period in a post-communist country. SAMI CAMI

In a futuristic version of a zoo, the visitors are more engaged with holograms than with real animals. A girl with a busy mother becomes interested in a lonely cage that houses an old chimpanzee called Sami. The elderly zoo warden warns the girl there is a real animal in the cage. He explains that, because of large-scale extinction, the animals in the zoo have been replaced with robot replicas and that Sami, a descendant of his legendary namesake from the 1980s, is the only real animal in the zoo.
